DELICIOUS FOOD FOR INDIA

By MARIE EDWARDS — **A BOOK FOR CONNOISSEURS** — **Price Rs. 5-8.**

The "Statesman" says:—

Under the modest title of notebook, Marie Edwards has provided her readers with a great deal of pleasantly expressed information on the preparation of all kinds of food. *The thirty-six lunch and dinner menus should cover every contingency with which a hostess is likely to meet,* either here or at home and the chapters devoted to invalid food, buffet dinners, sandwiches and cocktail savouries *will be extremely welcome to any housewife in search of variety.*

In addition to recipes of ordinary meal-time dishes the author devotes *a special section to sweets,* and shares with her public her personal experiences in the art of making chocolate truffles, French nougat marzipan apples, and so on.

The advice on the innumerable methods for making a chicken attractive, and the wealth of detail with regard to egg dishes and first courses are amongst the best features in a book which should be *as great an asset to the housewife at home as to the memsahib in India.*
